

Presents For Pets, Inc. Post Event Report Form

Dear Volunteer and Pet Lover,

Thank you for participating in this supply drive—donation program. 2019 has been our initial, public launch and we welcome your comments and feedback about the program. Our goal is to make your job easier and motivate more people to give to our pets in shelters and with recue groups by making “giving” more convenient. By donating to homeless pets, this can increase awareness of the tremendous need with hopes of more exposure and ultimately being adopted into new, loving homes. “Be Pawsome. Giving Feels Good!”
